About Us

The Big Splash festival is an annual event organised by The Riverfront Theatre and Arts Centre, drawing 25,000 to the city. Recognised as **the largest free outdoor arts festival in Wales**, Big Splash features live music, street theatre, dance performances, workshops, craft and activities for all the family.

Wales' Largest Free Outdoor Arts Festival

All free of charge, the two-day event is the perfect family experience, recommended for all ages. Described as “a slice of Covent Garden in Newport”, the streets of Newport will turn into a giant outdoor stage.

The festival provides an introduction to the arts through live theatre, supporting our mission to engage people of all ages with the arts through an exciting, free programme.

Our Mission

The Big Splash festival continues to be a **key event in the outdoor arts sector** in South Wales, providing art lovers, families, residents and visitors with an opportunity to interact and engage with a wealth of **artistic talent in the heart of our city**.

Since 2010, The Riverfront Theatre and Arts Centre has successfully delivered the Big Splash festival in collaboration with partners across the city. The event grows annually and is a **lynchpin in the outdoor arts calendar for Wales** and further afield, an important date for the sector.

We aim to provide the communities of Newport and the areas that surround us with free arts activities, performances, dance, spoken word and more. Supporting positive mental and physical wellbeing as well as a positive impact on the local economy.
