We are excited to be advertising new positions in our forward-thinking Community Sport & Wellbeing team, where we have recently refreshed several roles in line with our ambitious development plans. The work of the team and our programmes, projects and interventions is highly regarded locally, regionally, and nationally by a wide range of sporting and non-sporting partners. We are looking for highly organised and enthusiastic individuals, who are passionate about sport, physical activity, and wellbeing; and ideally who will have some experience from working within the sports development, education, health and wellbeing, or sport for development sector. However, we have also, on occasion, trained and developed the right candidate who we feel has a high level of potential and the right behaviours (e.g. retired, semi-retired, career changers, parents looking for part-time work, forces veterans, or school/FE/HE leavers); therefore if you are interested just get in touch for an informal conversation to find out more about our work and these opportunities!

The role is varied, exciting, and rewarding and will require you to have energy and enthusiasm and to regularly deliver and coach sport and physical activity sessions that engage and inspire children, young people, families, and underrepresented groups to become active.

The 2 x positions are both 18.5 hours per week, fixed term until 31st March 2023 (with extension to contracts possible with continued grant funding). There is some flexibility with the hours available, and the working patterns, most likely during the day Monday to Friday, with some evening and weekend work required. Candidates will be based at the Newport International Sports Village, with the agility to work citywide leading and supporting a wide range of projects, activities, and events.

The post is exempt from the Rehabilitation of Offenders Act (1974) and is subject to a successful Disclosing and Barring Service (DBS) check.
