

Colour me in too and make me into a flag!

Me and my friends in this pack have lost our colour! Can you make us colourful again? You can use whatever patterns and colours you want, the brighter and more fun the better! You can use paint, crayons, collage- or whatever you want!

We would love to be able to see the parade so can you find fun ways to show us off? Add us to your clothes, dangle us from umbrellas, or add us to sticks to you can hold us high!

We will then be ready to join in the fun at the Mini Makers Parade at 3pm starting at The Riverfront on Sunday the 20th July together!
